WHAT'S BEEN ON IN JANUARY

We've had a few good things happen so far in January. We've had New Years. We have had the teenage kids in, who did their tribal song and dance as well as caught up with some residents and had the opportunity to be able to be told some of the stories from our residents from their time and how things were done then to how they are done now. We've also had the younger kids who joined us for a morning of fun, games, craft, music and lots of laughs and photos.

LOGAN CITY LIBRARY DAY ... Would you like to read a book or magazine, watch a DVD or listen to a CD? If you answered yes to any of these questions, then the Logan City Council Library, maybe able to help you. The Logan City Council Library is able to provide such items to the residents of JNC. Library visits are the second Tuesday of each month. Please ensure your library books are ready to be returned on the Monday afternoon, before pick up Tuesday. If you would like to use the library service to borrow books, CD's, DVD's, etc from the library please see Activities Officer so this can be organised.

MEDICAL APPOINTMENTS

Due to the increasing number of external appointments that residents are requiring, we ask that a relative or friend is to please accompany where possible. There will be times when staff are not able to escort to appointments so they may have to be rescheduled.

LAUNDRY

Jimbelunga laundry staff label all new clothing as they arrive to Jimbelunga. Our laundry staff will label them and then redistribute them to the appropriate resident.
